ABRIDGED INDEX TO VOLUME 24

ARTICLES	No.	Page
Drift of the VENOIL in the Agulhas Current	1	1
Typhoon Hope, August 1979	1	7
Tropical storms Mac and Nancy	1	12
High waves in the Benguela Current	1	15
Estimation of surface pressures from satellite cloud patterns	2	83
North Atlantic tropical cyclones, 1979	2	88
GLWMS plus SGLMSR for Lakes mariners	2	104
Buoy capsizing wave conditions	3	165
Eastern North Pacific tropical cyclones, 1979	3	174
Great Lakes navigation season, 1979	3	183
Coastal storms in Southern California	4	255
Unusual winter storm, Hawaii	4	261
Western North Pacific typhoons, 1979	4	264
Pusan as a typhoon haven	5	337
A climatological oil trajectory model	5	344
Dutch tug survives North Atlantic fury	6	407
New daily oceanographic analyses	6	412
Great Lakes ice season, 1979-80	6	415
HURRICANE ALLEY		
Tropical cyclone watch - 1979	1	24
North Indian Ocean - September and October 1979	1	24
Southern Hemisphere - September and October 1979	1	25
Hurricane Frederic and EB 42003	1	25
North Indian Ocean tropical cyclones, 1975 and 1976	1	26
Tropical cyclone watch - 1980	2	107
South Indian Ocean - November and December	2	107
Australia-South Pacific - November and December	2	107
North Indian Ocean - November and December	2	107
Global tropical cyclones - January and February 1979	2	108
Global tropical cyclones - March and April 1979	3	198
Central North Pacific tropical cyclone names	3	199
Correction to global track chart	3	200
Tropical cyclone watch - 1980	3	200
Southern Hemisphere - January and February 1980	3	200
Global tropical cyclones, May and June 1979	4	282
Southern Hemisphere, March and April 1980	4	283
Reprinting of January and February 1980 charts	4	285
World cyclone watch - 1980	4	285
Hurricane Allen preliminary	5	353
Global tropical cyclones, July and August 1979	5	356
Tropical cyclone watch - 1980	5	356
Shipping and hurricane Allen	6	424
Global tropical cyclones, September and October 1979	6	427
Southern Hemisphere and North Indian Ocean, July and August 1980	6	428
HURRICANE ALLEY	No.	Page
Tropical cyclones of the North Indian Ocean - 1979	6	428
Tropical cyclone watch - 1980	6	429
ON THE EDITOR'S DESK	No.	Page
Hurricane storm surge program protects coasts	1	28
St. Lawrence Seaway closing	1	29
Best buoy color test	1	29
Ancient seaweed collected from deep sea bottom	1	30
Global weather experiment ends	1	30
NOAA research ship CHAPMAN launched	1	31
